IN MEMORIAM

DECEMBER 14 1956

The Shenango Furnace Company and associated companies have suffered a great loss in the death of Lea B. Perrin, November 7, 1956.

He came with Shenango in May, 1909, and served faithfully in various capacities, most recently as Secretary of the various Shenango companies.

His loyalty to his company, his devotion to his work, his spirit of cooperation and his friendliness to all his associates, commanded the highest respect of all those who knew him. He will be sadly missed.

The Directors of The Shenango Furnace Company mourn the death of Lea. B. Perrin, and record this expression to his memory; and direct that copies be sent to Mrs. Lea B. Perrin and to his daughters Mrs. Alberta Perrin Day and [REDACTED].

My dear [REDACTED]:

The Board of Trustees of the Crafton Methodist Church wish to express their esteem for Lea B. Perrin and their sorrow at his passing on November 7, 1956.

Mr. Perrin's service as Secretary of the Board of Trustees, Secretary of the Official Board, as a member of the Board of Trustees for many years and as communion steward was marked by careful attention to detail and tireless effort in Christian service.

We knew Mr. Perrin as a profoundly interested man deeply concerned with obtaining the best results. He took pride in doing a careful, accurate job and in seeing that adequate preparation was made to anticipate and meet the administrative problems of the Church.

Mr. Perrin's advice and opinion were highly valued by his co-workers in Crafton Methodist Church. His praise, like his general attitude, was sincere. His criticism was forthright and was given with a kindly spirit and import of authority.

We recognize Mr. Perrin's valued characteristic, his sense of responsibility, for he gave of his time, his talents and his substance without reserve. His keen sense of responsibility made his word completely dependable in all matters.

Though mild mannered and reserved Lea was nevertheless a leader. He led many of us to find the time and to do things we might never have done otherwise for our Church. Under his gentle prompting we were capable of renewed interest and enthusiasm.

We esteemed Lea Perrin for those characteristics we have mentioned, but we sorrow at his passing because of the warm personal relationship established between him and his fellow workers. His sincere interest in us and our Church made us feel that we were

truly working together in the furtherance of God's Kingdom. For that reason Len Perrin will be long remembered and sadly missed by his Church. His strong religious convictions and exemplification of brotherly love have made a deep and lasting impression upon our minds and will be treasured by all those who have served the Crafton Methodist Church with him.

With sincere sympathy,
